

## Presenter Agreement - Posters

All presenters must agree to the terms of the Poster Presenter Agreement before entering an abstract/proposal. The Poster Presenter Agreement reads as follows:

On behalf of myself and any co-presenters, should this poster be selected, I/we agree that this presentation is offered voluntarily and understand and agree to the following terms related to the poster presentation and its use by the American Academy of Audiology:

- **I agree to pay for all travel expenses to attend AAA 2025 including the registration fee.**
- **I agree to be onsite to present the approved poster in the poster hall on Thursday, March 27 and Friday, March 28 during designated poster display/presentation hours.**
- If applicable, I agree to record the presentation for a virtual conference offering if requested unless notification is sent to the Academy.
- During my presentation, I will not engage in any type of promotional marketing or selling of any product or service.
- Warrant that my presentation is my own original work, that I have the full authority to enter into this agreement, and that I am the copyright holder or that I have obtained all necessary permissions or licenses from any individuals or organizations whose material is included or used in my presentation.
- I agree to avoid any claims or misrepresentations and will NOT hold the Academy liable for those in my poster/presentation.
- To the best of my knowledge, my poster does not/will not violate any proprietary or personal rights of others (including any copyright, trademark, and privacy rights), is/will be factually accurate, and contains nothing defamatory or otherwise unlawful. I have the full authority to enter into this agreement and have (or will have by the time of presentation) obtained all necessary permissions or licenses from any individuals or organizations whose material is included or used in my presentation.
- I grant the American Academy of Audiology a royalty-free license to use, reproduce, and share my poster presentation in any way in the future, with appropriate attribution to me. I understand that this license does not change the fact that I retain copyright ownership of my presentation and does not prohibit me from using my presentation in any way or from allowing others to use it.
- I agree to allow the American Academy of Audiology to publish and market the material presented at an Academy event to all Academy members, subscribers, and customers in Academy informational publications and communications. This will help to further the Academy's mission and vision: to be essential in the professional lives of audiologists.

*If you have any questions about the terms of the agreement, please email us at [presenters@audiology.org](mailto:presenters@audiology.org). Submissions will not be considered without a signed agreement.*
