Delivering Value to Members

[Retain and Increase Membership]

ENSURE Ability to Practice

ADVOCATE for appropriate valuation and payment of all audiology services to ensure optimal patient-audiologist driven care.

ENSURE Future of Profession

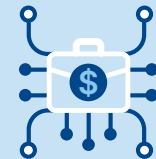

INCREASE member connection within the Academy for the purpose of fostering an inclusive community and advancing the profession.

ENSURE Future of Academy

BE the nationally recognized experts for evidence-based guidance in hearing and balance health care.

DIVERSIFY the Academy's financial opportunities to enhance value-added member benefits.

Enrich Membership and Build an Inclusive Community

Member engagement including diversity, equity, inclusion, and belonging are the foundation that permeates every aspect of the Academy. Audiologists have a voice in developing their own profession—shaping the priorities and effectiveness of our organization because **WE** are the Academy.
